RÉGENT  
CAMPS

# Frequently asked questions...

## What is the link between *Régent Camps* and *Le Rosey Camps*?

In 2019 Le Rosey and Le Rosey Camps entered into partnership with Le Régent, bringing 140 years of education experience to assist with the school's new direction and identity.

During the summer, experienced Rosey Camps directors run two programmes in Crans-Montana in collaboration with Le Régent staff to ensure that Régent Camps reflect the school's values and spirit, while benefiting from Le Rosey Camps' experience in organising exceptional summer programmes.

## How does the *boarding house* work?

All students live together in a boarding house – girls and boys in separate buildings, Juniors and Seniors on separate floors. The teachers live on the same floor as the students to ensure their well-being, safety and a family atmosphere. All teachers and students eat together at set times. This is how we create a feeling of community and security.

## Can we make a *roommate request*?

Room requests can be made when registering for the camp and we will do our best to make it happen.

## Will someone be at the *airport to welcome* my child?

Régent Camps offer free airport transfer from Geneva airport on the arrival and departure days of the camp. Children traveling alone will be escorted by one of our staff.

We do not organise airport transfers from Zürich or Milan airport. Our campus in Crans-Montana is 2h30 from Geneva airport.

## Will someone take my child to the *airport to return* home?

Just as on arrival day, Régent Camps offer free transportation to Geneva airport. Unaccompanied Minors (UM) will be escorted all the way to the gate by a member of staff until the plane takes off.

Please be aware that it is the responsibility of the parent/guardian to apply and pay for this service with the airline in advance. We also recommend that you check your airline's policy for children traveling alone as some forbid it.

## Can I *visit* the camp?

We do not allow visits during the camp. This is to help the students gain autonomy and independence.

However, we invite all parents and carers at the end of the camp for the end of camp ceremony.

## What kind of *food* is there at the camp?

Internationally-inspired meals are served buffet style. Meals are prepared by our own chefs who pay meticulous attention to quality, presentation and flavour to produce healthy, balanced menus.

Vegetarian menus are also offered. Any food allergies should be clearly indicated in the health questionnaire. Meals on the menu containing pork will be indicated.

Unfortunately, we are unable to provide vegan, Kosher or Halal meals.

## Can my child use a *mobile phone*?

Students are allowed to use phones at certain times during the day only, in order to promote social interaction with their fellow campers. We are of course aware of time differences when calling home to family and this is taken into account.

At night, Junior students hand in their phones and electronic devices.

## What *clothes* does my child need to bring?

When your child has been accepted, we will send you a list of things to pack.

## Do children do their own *laundry*?

We offer a laundry service to all our campers. When they arrive, we bring their clothes to be labelled. *Dry cleaning* is not offered.

## How is *pocket money* given to my child?

Pocket money is distributed by the camp directors twice a week.

## Can my child join the *day camp* for one day?

For pedagogical and social reasons, when you register your child for day camp, it is for the full duration of the camp (two weeks).
